The culinary students will be preparing a hot lunch supervised by their teacher/chef Clayton Cundiff. Parking will be in the student lot. The culinary department has the reputation for providing good meals.

Marco Sommerville, Director of Planning and Urban Development, is scheduled to be our speaker.

Later on in April, the Kenmore Board of Trade and other Kenmore organizations will be working with the City of Akron / Keep Akron Beautiful for a clean up on Summit Lake.

We hope to see you at either of these events.
