PRESIDENT'S MESSAGE

We at the Kenmore Board of Trade are working on three projects in our village at the present time.

The clock tower project has been in progress for quite some time but I am pleased to report that we are at about 75% on the funding part of the project. If you or your friends and neighbors have not gotten involved yet, now is the time to get involved. Contact us!

The second project is road and lighting improvements for West Wilbeth Road and West Kenmore Boulevard. We are working with the businesses there and also with the Akron City Administration on this project. You can help with this by contacting the Mayor's Office at 330-375-2345.

The third project is the open house for available buildings on Kenmore Boulevard. We are about ready to send out letters to owners to determine how many are interested in participating. This project is a big project but the Akron City Administration is willing to help. If you are willing to help in some way please let me know.

Marco Sommerville, Director of the Akron Department of Planning and Urban Development, will be our guest speaker at the April 3rd, 2013 meeting. This will be a very good meeting so plan to attend.

Thank you.
