PRESIDENT'S MESSAGE

We are approaching the end of winter (a very cold and snowy one, like I remember growing up in Akron). We are looking forward to Spring and to the projects that will begin in the Village of Kenmore.

We will be having Mark Moore from the City of Akron at our next lunch meeting to share with us the projects that the City is working on that effect our village. He will also be available to answer questions.

This is what we call an All-Boards meeting which means that members from the other Akron Boards of Trade will be with us. This is a good opportunity for all of us to get together to network and to meet people in other businesses.

Mark your calendar and plan to be with us on March 5th.
