The evening events will then culminate with the Children's Party with Santa Claus at Park United Methodist Church at 7:00 pm.

Many of the businesses on Kenmore Boulevard will be hosting sales & open houses. And also during the event the three church anchor sites (Park United Methodist Church, Immaculate Conception, and The Church on the Boulevard), will have special holiday events throughout the day!

This event is made possible through the volunteer efforts of Kenmore businesses, schools, churches, residents, and service organizations under the coordination of the Kenmore Chamber of Commerce Events Committee. Event sponsors are the Kenmore Kiwanis, Kenmore Community Council Inc, Kenmore Community Center, and the Kenmore Neighborhood Alliance. This event is funded in part by donations and an Akron City Council Neighborhood Partnership Grant. Watch for flyers and posters for further information.

Small Business Saturday is November 30th

Saturday, November 30th, is **Small Business Saturday** – a day to celebrate and support small businesses and all they do for their communities. Created by American Express in 2010, it falls between Black Friday and Cyber Monday after the Thanksgiving holiday, during one of the busiest shopping periods of the year. It encourages holiday shoppers to buy in local stores and from small business owners. Please join the Kenmore Chamber of Commerce in supporting our local small businesses in the Kenmore Community by shopping with them on Saturday November 30th, and throughout the year!

Financial Empowerment Center and College Now Partner to Bring Services to Kenmore

by Angela Lowery, Director, Financial Empowerment, United Way of Summit County

It has been almost two years since the Financial Empowerment Center (FEC) in Kenmore opened its doors and began offering free tax preparation and financial coaching services to residents of Summit County. During that time, our certified financial coaches have facilitated over 2,000 coaching sessions with almost 800 clients. Through these one-on-one sessions, we have helped individuals negotiate settlements with their creditors, save for a down payment on their dream home, create a manageable payment plan to tackle credit card debt, reestablish their credit after bankruptcy, and much more. Coaches have helped clients collectively save over \$277,318 and reduce debt by \$326,407.

As we enter our second year of operations, we have begun identifying additional programs that complement FEC services in helping individuals achieve their personal financial goals. To that end, we recently partnered with College Now to host a College Now advisor at the Financial Empowerment Center on a weekly basis. As a nonprofit organization with over 50 years of experience, College Now's goal is to help individuals pursue educational opportunities that empower them to embark on rewarding careers and strengthen the community. College Now advisors are trained to match individuals of all ages and levels of experience with educational pathways that lead to wealth-creating occupations. Much like financial coaching, this is not a "one size fits all" approach. College Now advisors meet students where they are, assess their education, career experience and goals, and match them with the opportunities that are their best fit.

The College Now advisor at the Financial Empowerment Center will provide guidance and resources to students of all ages, from traditional high school students to adults who have some college, but no degree, or who have never started the postsecondary process. In addition to helping individuals explore and apply for educational opportunities – including two-year, four-year and certificate programs – College Now also offers guidance on financial aid. This includes completing the FAFSA application, researching and applying for grants and scholarships, and evaluating financial aid award packages.

By helping individuals explore higher paying career options while also avoiding student debt, the work of College Now strategically aligns with the goals of the Financial Empowerment Center. We are proud to bring yet another valuable resource to the Kenmore community that can benefit all residents of Summit County. If you are interested in making an appointment with a College Now advisor and/or a FEC financial coach, call 2-1-1 to set up your free appointment.

Kenmore Halloween Event Draws Hundreds

by Tina Boyes, Executive Director, KNA

More than 50 residents, organizations and Boulevard businesses braved the cold to give away thousands of pieces of candy during the first "BOO on the BLVD". Kenmore Neighborhood Alliance, Kenmore Chamber of Commerce, and Kenmore Kiwanis joined forces on what attendees said they hope will become an annual event.

Despite the weather, more than 500 children and their parents strutted their stuff from storefront to storefront for treats. At 6:00 pm, The Rialto Theatre hosted the Kenmore Kiwanis Costume Contest, where the cutest, prettiest, scariest and best-all around costumes won awards along a symphony of adoring "boos" from the stage.

Happenings at the Kenmore Library

by Wendy Zarara Bromfield, Kenmore Branch Manager

Cheers Kenmore! My name is Wendy Zarara Bromfield, and I am excited to announce that in September I accepted the position of Branch Manager of your community library. Before starting here, I served as Head of Public Services at the Huron Public Library, on the shores of beautiful Lake Erie. In that position I significantly increased library programming and services for adults in areas including health, culture, food, history, music, and science. I started an annual Veterans Day program that attracted well over 100 attendees. I held an opioid crisis panel that included professionals from law enforcement, public health and medicine, and those effected by the crisis. I absolutely love my career in librarianship, and feel called to it as a way to serve others and to unite them with the information needed to enrich their lives.

Prior to librarianship, I served in the Americorps Local History Corp, volunteering in small to mid-size museums and historical societies. I hold a Bachelors and Masters in History, and a Master of Library and Information Science. And I had a 15 year career as a manager in the nutritional supplement industry. This circuitous path has imbued me with skills in salesmanship and promotion, and that is exactly what I hope to hone here in Kenmore, promoting both the library and the neighborhood as places of vibrancy and dynamism!

I feel I came here at a fortuitous time, with the Boulevard recently achieving a place on the National Register of Historic Places. I have a vision of making the library an anchor of the neighborhood as it undergoes this exciting period of revitalization. I hope to support the arts and music culture so ingrained in this place, by bringing it into the library! I hope you will join me in bringing my vision to reality. I look forward to forging relationships and serving this community of which I am proud to be a part.

We have some exciting upcoming events! On December 7th, from 10:00 am to 3:00 pm, we will hold our Holiday Open House. Come celebrate the holidays at the library. Magic Bob will entertain with magic and balloon creations. Enjoy festive holiday decorations and some light refreshments! On Tuesday, January 14th, join Glaser Retirement Strategies to explore the basics of Medicare/Medicaid. Learn how you can qualify for extra help and free prescriptions. Light refreshments included. And on Thursday, February 6th join CVNP rangers and costumed characters for "Experience the Underground Railroad" to examine the dangerous realities, heartbreak, and hope of the Underground Railroad. We'll explore the question, "What would you be willing to fight for?" See our newsletters and fliers for more information on programs for all ages. I hope to see you soon!

Snow and Ice-It is Coming

I am often asked, "Why doesn't my street get plowed when others around me have?"

Akron's roadway network consists of over 829 centerline miles of roadway with over 1,919 lane miles (about the same distance as driving from Akron to Phoenix) covering almost 122 million square feet (about 2,118 football fields) not including the expressways. Every single winter event is different based on the many factors that influence snow and ice control operations. Here are a few items to help you enter the season with a better knowledge of what The City of Akron is doing as the snowflakes fall.

Akron has divided all streets and roadways into three classifications: first priority, second priority and third priority. In order to get as much traffic moving as soon as possible, the most heavily traveled streets are serviced first and then on down to the streets that are less traveled. These groups are further broken down into 51 zones with each zone having a 1st priority route map, a 2nd priority route map and a 3rd priority route map.

The first priority group streets are the most heavily traveled roadways covering approximately 900 route miles. The second priority group streets are less traveled than the first priority streets covering approximately 200 route miles and include collector streets, heavily travelled local roads, sloping dead end streets and streets surrounding roads. The final group is all of the remaining City of Akron streets and roadways covering approximately 300 route miles. These local streets are generally less traveled.

In addition to this, Akron has established four levels of response to cover all events. These levels of response are based on existing roadway conditions (surface conditions, pavement surface and subsurface temperatures, previous snow accumulations, residual de-icing materials, etc.), storm event forecasts (precipitation, temperatures, wind, sun, etc.) and forecasts following the event (precipitation, temperatures, wind, sun, etc.).

LEVEL 4 - This is the level of response for larger snow events and ice events. Fifty one trucks are in service for a level 4 event.

LEVEL 3 - Twenty eight trucks are in service. This is the level of response for smaller or minor snow events.

LEVEL 2 - Twenty one trucks work during this level of response for very minor snow events. Primarily, the most critical routes would be serviced. This level of response is for the very small snow events, plowing is not usually performed at this response level. Ice removal chemicals are applied.

LEVEL 1 - A level 1 response includes eight trucks covering either the main routes (arterial streets – AMATS) or the 8 bridge routes. This is the level of response for minor frost/freeze events that may cause icing on bridges or typically for pre-treatment of the main routes in advance of a minor event as forecast.

Anyone may enter a request to have their street serviced at any time by entering a Service Request with the 311 either online at www.AkronOhio.gov/311 or by calling the City's 3-1-1 line.

Thank you for allowing me to serve the 9th Ward.

Akron Promise - Kenmore-Garfield High School Update

by Daralee Ghinder

You may have seen the folks from Akron Promise at a couple of First Fridays this summer. Residents and visitors helped create a “Dreamboard” one week where they shared personal dreams, as well as dreams for their community. The next month, “Super Heroes” of all sorts shared their “Superpowers”! Or maybe Akron Promise founder, Tom Ghinder, helped your child tie a knot in their balloon. First Fridays were a fun and wonderful way for the community to get to know one another. Now that fall is in full swing, activities have been taken from Kenmore Boulevard back to Kenmore-Garfield High School.

ACT Scores are up! Just like last year, the KGHS students that were able to attend at least half of the Akron Promise ACT Score Improvement sessions improved their test scores the most! An average of two points were gained, which can make a difference in getting scholarships and/or getting into the college of choice. The program was offered again this fall to seniors and will be offered again in January to KGHS juniors.

To continue the work of helping students with post-high school success, a new KGHS student team has been formed. Just like the football team, choir, basketball team, Drama Club, and others, KGHS now has an Academic Achievement Team. Students volunteer to participate, and recruit others, in a team setting, with the opportunity to improve academic and life skills. The team meets every Thursday, during their lunch period. The students are in the process of naming their team. These lunchtime sessions include a curriculum of academics, job hunting skills, life lessons, and other skills or practice sessions. The curriculum has been developed by University of Akron students, through the ExL Center. Funding for this program is from generous grants by Akron’s Neighborhood Partnership Program and The Akron Community Foundation’s “Beyond the Table” grants, as well as some private donations.

Akron Promise continues to lay the groundwork for a universal program in Akron where all students have access to required wraparound supports and a tuition free path to post-secondary certificates and degrees.

If you have questions, or would like to find out how you can help, please contact Tom Ghinder at tghinder@gmail.com or 330-329-4855.

Guinther Park Summer Clean-Up

by Claude DeBord

Never let it be said Kenmore residents don't have pride in their community. Guinther Park on Carnegie Avenue had a major park cleanup in August and a second one in September. This park has been terribly neglected for 20 years, so the community rallied to do a tremendous amount of work. One of the two dugouts was painted, 6 dead tree's were cut down, both baseball infields were dragged for hours, the park was mowed & weeded, hundreds of branches were trimmed, the asphalt walkway was cleared, trash was picked up, 2 truck loads of trash were hauled away by volunteers, a massive hill of dirt was moved, and we even discovered a road to the street buried under the dirt! Our collective goal is to have Kenmore Little League return to the park next spring and get some long overdue playground equipment for the kids. Who ever heard of a 9-acre park with NO swings, NO slides, NO jungle gym...nothing!

Thank you to the following volunteers who worked very hard for up to 20 hours each (two cleanups) - Dale Garret Sr, Dale Garret Jr, Paul Caarr, Shannon Shaffer, John Life, CJ DeBord, Skyler DeBord, Claude DeBord, Becky DeBord, Sophia DeBord, Nancy DeBord, Tommy Parker, Scott Swearington, Shawn Meehan, Dawn Meehan, Charlene Gillam, Chris Habig, Lucas Habig, Maxwell Tristano, John Bickett, Samantha Headrick, Donny Schindewolf, Chris Bailey, Bob Crum, and Jonathan Steed. And thank you to the following who made donations - Kenmore American Legion, Sunbelt Rental on Waterloo Road, Sherwin Williams on Arlington Road, Family & Lawn Landscape, Akron Porcelain, King Apartments, and our councilman Mike Freeman who said we could use some Salt Fund money. If you want to help do work, donate flowers, donate money for a park bench, picnic table or playground equipment, please feel free to call or text me anytime at 330-730-7163. Thank you again everyone, you did a wonderful job. Lets finish this project for the kids!

Friends of Chestnut Ridge Park

by Chloe Freeman, FoCRP Student Advisor

Chestnut Ridge was not only an Akron park, it was also my backyard! Most of my childhood memories in the neighborhood were made there. I can remember swinging with my friends, playing kickball, and flying kites. Our favorite activity was climbing the trees. In the winter, we sledged down hills and built snowmen. Besides running up and down the steps of the amphitheater and climbing trees, we would create and perform our own shows.

The park was always full of fun and people during the annual community picnics! The amphitheater was a great place to play, but there was always broken glass and empty cans scattered on the stage area and steps. But now the space has a new feeling of community and creativity. The neighborhood has a refreshed perspective of the park and it feels alive again.

I'm overjoyed that I get to experience the new Chestnut Ridge Park and can't wait to see what is next. Please come and join us at our Public Meeting November 16th 10:30 am at the Kenmore Library so we can imagine 2020 together!

Making Strides on the Boulevard: 2019 Year in Review

by Tina Boyes. Executive Director, KNA

This year has been one of history, creativity and fun on Kenmore Boulevard, and we have the donors and volunteers of Kenmore Neighborhood Alliance to thank. From cleanups and beautification efforts to street festivals and district marketing, this diverse group of residents is working hard to create an enjoyable, engaging Boulevard experience. Here are a few of the highlights.

HISTORIC DISTRICT & URBAN OVERLAY

On September 6th, Kenmore Neighborhood Alliance achieved a major goal: the National Park Service added the Kenmore Boulevard Historic District to the National Register of Historic Places. It was the result of a yearlong effort by KNA with support from the Kenmore Historical Society, City of Akron, State Historic Preservation Office and architects Chambers Murphy & Burge. The goal: to instill pride of place among residents and Boulevard property owners, encourage investment and improve people's perceptions of our community.

KNA's volunteer Design & Beautification Committee also partnered with the City of Akron Department of Comprehensive Planning to create special zoning that will preserve the historic scale and charm of the Boulevard. This Urban Overlay also prevents new empty street-fronting spaces like new open-air car lots and out-of-character construction that can detract from the district. We are grateful for their hard work.

"KENMORE OHIO" MURAL

In July, Kenmore Neighborhood Alliance commissioned a mural by Kenmore resident Caleb Aronhalt called "Kenmore Ohio," which brought color and community pride to the side of 998 Kenmore Boulevard. The mural was created in partnership with the University of Akron Art Bomb Brigade, including Kenmore residents Arlie & Paula Sandusky Holman and dozens of local art students. It has quickly become a point of pride and de facto selfie spot for residents and visitors alike. So if you haven't already done so, snap a selfie and post it to your social media accounts with the hashtag #kenmorerocks. Our social media team loves sharing.

KENMORE CLEAN TEAM

We are grateful to neighborhood groups like Kenmore Kiwanis, First Glance Man Up, Youth2Adults, Girl Scout Service Unit 926 and The Church on the Boulevard, as well as volunteers Ryan Boyes and Randy & Debbie Blake for working hard to keep the Boulevard and 18th Street Prayer Garden clean and inviting. Are you looking for an easy service project? KNA is always looking for individuals and groups to help with trash pickup and landscaping help for our Clean Team.

BOULEVARD DISTRICT BANNERS

In June, KNA worked with the city to install light pole banners in the Kenmore Boulevard median. This is thanks to KNA's Promotions Committee, which works to brand Kenmore Boulevard as the center of commerce, culture and community for residents and visitors alike. The banners each represent an aspect of Kenmore, from our musical present, trolley car past, and coffee and culinary future. We are grateful to TRIAD Communications Design4Good program for donating their banner design services and to resident Jason Chamberlain for the logo concept.

KENMORE FIRST FRIDAYS

This summer, more than 1,500 people returned to Kenmore Boulevard for live music, food, shopping and free family fun during Kenmore First Fridays. An all-volunteer committee organized an outdoor marketplace, free hands-on activities like art-making, ukulele-playing and golf instruction, food trucks and live performances from some of the region's best musicians. Artists like Floco Torres, Marc Lee Shannon, Colin John

and hometown boys Mr. Pink entertained folks on nearly every corner of Kenmore Boulevard from 13th to 16th Streets. Food from Flamingo Jack's Food Truck and Johnny Lotes Latin Street Corn, plus Pierre's Brooklyn Pizza & Deli, the Kenmore Eastern Sports Bar, and Live Music Now Beer Garden made Kenmore Boulevard the place to be for great music, eats and local brews. With your help, the KNA Promotions & Events Committee hopes to make these events bigger and better in 2020.

TOGETHER, WE CAN DO MORE

Thanks to our volunteers, supporters, funders and you, we accomplished much together in 2019. But as we all know, much work remains to be done. Here's how you can help.

Ask questions like:

What's your favorite childhood memory? Did you have pets? Which was your favorite?

What was the most adventurous thing you ever did? Were you frightened?

What were your favorite family traditions? How did you know your spouse was "The One!"?

Ask questions about photos, mementos & collections.

Write down their stories. You will cherish them forever! Sincerely, Lori Prentice

Kenmore Kiwanis News

by Pat Cardarelli

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.

One of our main objectives is distributing books to each of our three Kenmore elementary schools. We do this twice during the school year, in fall and in spring. This fall, we've taken books to two of the schools; the third will be done in November. It is amazing, satisfying and fun to watch the kids pick a book. Some know exactly what they want (Minecraft or Junie B. Jones) while others take their time and look at each one before making a decision. If YOU would like to help fund the books (\$25.00 per classroom) please make a check out to Kenmore Kiwanis and send it to 1154 Kenmore Boulevard, Akron, OH 44314. The children and our group will thank you!

A few of our recent activities or fund raisers include our annual Trash and Treasure Sale on September 14th, where we had a beautiful day and many shoppers. We will soon be distributing Thanksgiving and Christmas food baskets to needy families in Kenmore and we rely on the schools to nominate these families. And of course, we will be helping with the Kenmore Holiday Celebration on Saturday December 7th.

Starting November 1st we'll be selling Mixed Nuts from Akron's own Peanut Shop! The mixed nuts come in a one pound decorated box, perfect for gift giving. And they are still only \$8.00 a box. See any Kiwanis member or call Dick or Pat at 330-745-5674 to order one or a dozen boxes.

One more thing - we are always looking for new members to join in working with and helping the kids in Kenmore. If you are interested, please join us at Thano's Restaurant, 71 Fifth Street in Barberton on the 2nd or 4th Tuesday of each month at 6:00 pm. We hope to see you there!

Kenmore Athletic Boosters Iron Chef Fundraiser

by Nancy Laria

The Kenmore Athletic Boosters had an Iron Chef Competition fundraiser on Wednesday October 9th at the Kenmore-Garfield High School. There were 18 chefs all together and no one left hungry. There was a trophy for Best Presentation, Best Entrée, and Best Dessert. It was such a tough job to vote since all chefs were awesome and winners, but that was the job of all in attendance. The chefs were from community businesses, individuals, Principals and teachers, and the Culinary Arts, and even our very own councilman! There were sponsors for each table, a big shout out to them! "We wanted to do something different this year to make money and this was so much fun" stated chairperson Nancy Laria. "Many businesses donated items for raffle prizes, and we want to thank all who participated in any way for making this a big success".

Dynamic Duos at Sam Salem CLC

by Sam Salem School Climate Committee

As you walk through the hallway on Tuesday afternoons, you can't help but smile as you hear the students' laughter, the music playing, and the joy emanating from the Music Room. This is the sound of the students in Ms. Harr's and Ms. Short's class who have Autism and Multiple Disabilities. This great opportunity is provided by Art Sparks, a non-profit organization that provides high quality dance programming that encourages self confidence & creativity. The organization visits schools in Summit, Portage, and Cuyahoga counties.

Instructors Ron Hazelett, Erica Piper, and Allison Urban have been instructing the class each week for 45 minute sessions, every Tuesday since November. Students performed their dance at Firestone High School, the third week in May. Along with Ms. Harr's and Ms. Short's two classes, select 4th and 5th graders have been assisting their peers all year, and will dance alongside them at the final performance. What a rewarding experience for all students and staff involved, that builds confidence, creates new friendships, and appreciates all abilities!

Kenmore-Garfield Academy Students See the World of Work

by Clayton Cundiff

On Wednesday, October 10th and Friday, November 14th Kenmore-Garfield High School students that are in grades 10th to 12th participated in ELD (Experiential Learning Day). The focus for this school year is Industry Field Trips (IFT). These IFT's provide real-life, hands-on experience to students related to their pathway. It is intended to help students understand and gain knowledge of the world-of-work, explore their pathway field, and help connect school to work. Industry field trips are typically between two and three hours.

Before departing on the experiences the students were prepped by their Academy team of teachers in several areas. These included professional student introductions, professional student workplace questions, workplace dress code, workplace personal safety equipment, appropriate use of cell phones in the workplace, and specific academic knowledge needed for each experience.

Kenmore-Garfield Pathway business partners participating in hosting our students during the ELD Day were FirstEnergy, Concordia at Sumner, Arden Courts, Stark State, Acme, Fastenal, Kyocera SGS Tools, US Foods, Americhem, Esterle, Steere, Associated General Contractors, Summit County, and the HomeBuilders Association of Summit County.

Innes CLC Implements PBIS

by Beth Vincente

Innes CLC has started implementing PBIS (Positive Behavioral Intervention and Support) into the school day. PBIS is a system of positive ways to encourage good behavior within the school setting. Akron Public Schools has a universal slogan to "Be Safe, Be Responsible, Be Respectful". Innes CLC has put those three things into a "motto" for their school. The purpose of this acknowledgement system is to foster a welcoming and positive environment, focus staff and students attention on desired behaviors, increase the likelihood that desired behaviors will be increased, and reduce the amount of time spent correcting student misbehavior. Students are given tickets for showing safe, responsible and respectful behavior and given a prize when their names are chosen. Students are given a special ticket called a "Jagtastic ticket" when they go above and beyond the expectations and then given a dress down day. Student and Teacher of the month are among some of the other positive things happening at Innes CLC also.

Kenmore Free Store News Update

by Mary Ann Gesaman, Director, Kenmore Free Store

Wow! Oh! Wow! Another busy quarter!

We have been blessed with donations, grants and more donations this quarter and we are SO THANKFUL! We have received a number of household items and linens, which are always in need.

For the winter quarter, if you have any gently used children or young adult coats and gloves or mittens, we would love to receive your donation. We seem to be short of all clothing for children, young adult and men. Our donation bin is located to the left of the store entrance on 17th Street, for donations when the store is closed. During store hours, donations are accepted at the double doors on 16th street, across from the high school parking lot.

We received from Akron City Council Neighborhood Partnership, a grant to purchase NEW shoes and underwear for school age children. We were able to purchase 25 pairs of boy's shoes, 30 pairs of girl's shoes, 21 multipacks of boy's underwear and 27 multi-packs of girl's underwear. This has been met with a lot of excitement and thankfulness.

We had ServeAkron volunteers (students from the University of Akron) helping at the Free Store on October 19th. A huge amount of inventory was sorted, hung, cleaned and displayed in the store for the shoppers. What a blessing! We would welcome anyone wanting to volunteer time to work at the Free Store during open hours (see below). Please ask for the manager whenever you are ready to volunteer.

Are you shopping for Christmas, looking for just the right gift for that special person? Think about sharing God's blessings with your neighbors in need by purchasing gifts from this "Wish List" for the Free Store: New store t-shirts or aprons for the volunteers to wear, storage totes or clothing racks, monies to help us meet our monthly obligations, toilet paper, tissue, liquid hand soap, masking tape, large kitchen trash bags. These are a few things that we use on regular basis at the store.

The Free Store will be closed Tuesday November 26th, so that all the volunteers and shoppers are able to participate in the Community Thanksgiving Dinner at the Kenmore Community Center. We will also be closed Saturday, November 30th. For Christmas and New Year's, the Free Store will be closed on Tuesday December 24th, Saturday December 28th, and Tuesday December 31st.

Store hours are Tuesday 4:30 to 7:00 pm, and Saturday 9:30 am to 12:00 noon.

Have a blessed Thanksgiving and Christmas. Hope to see you in the New Year.

Kenmore Community Center Extends Exercise Classes

by Alice Incorvia, Supervisor, Kenmore Community Center

The Kenmore Seniorcise group has been meeting for years at Kenmore Community Center, exercising to videos Monday thru Friday (Monday to Thursday at 9:00 am and Fridays at 10:00 am). Exercising to the videos is free, but the group enjoys coffee and conversation afterwards and charges just 35 cents to cover coffee supplies.

The center also offers a chair yoga and stretch class on Fridays at 10:30 am with an on-site certified instructor. When the Recreation Bureau conducted its survey in the Fall of 2018, the Kenmore Community Center found that the local residents really wanted an evening fitness class. So in April 2019 evening yoga began. They meet every Wednesday from 6:00 to 7:00 pm and also enjoy an on-site, certified instructor. The yoga and chair yoga classes require a reasonably-priced fitness pass. For questions and fee structures, please call the center at 330-375-2812.

Kenmore Community Meal

by Melissa Keegan

The Kenmore Community Meal at Immaculate Conception has been very well received! The meals have been delicious and the fellowship uplifting. Having said that, we need to announce that the meal, served on the last Tuesday of the month, will be taking two months off, November and December, but will return in January.

On November 26th everyone is invited to the Kenmore Community Center to enjoy a free Thanksgiving meal provided by the Kenmore Ministerial Association. Enjoy turkey, stuffing, mashed potatoes - a full meal including dessert. The December date falls on New Year's Eve so stay in, stay safe and make plans to join us on January 28th from 5:00 to 6:30 pm in Waldeisen Hall, which is located on the grounds of Immaculate Conception, and while you're there, check out the Kenmore Free Store next door. We'll let you in on a little secret - be prepared to enjoy some Mardi Gras fun in February!
