“BRINGING BUSINESS BACK HOME”

PRESIDENT’S MESSAGE

It's finally ready!

The newly designed **Kenmore Chamber of Commerce Benefit's Booklet and Member Directory** is completed. In fact, there are three versions of our Benefit Booklet, depending on your location, and those members who have so far paid their 2025 Membership Renewal Dues will be the first to start receiving their copies.

Each booklet has the latest information from all the Benefit Providers that the **Northern Ohio Area Chambers of Commerce (NOACC)** has found for our Chamber members. We invite you to look them over again, to see the new offerings from both past and recent providers. After the list of Benefit Providers you will also find the up-to-date Business Directory of KCOC members. Your directory listing will include the name of your business/organization, a brief description of what you offer, the Ohio county & city you are located in, your phone number, and if available your web site address. There are many ways to find a service or product you are looking for, but in the spirit of supporting a fellow Kenmore Chamber member we ask that you check this KCOC Member Directory first. The directory is also offered on the Kenmore Chamber web site at <https://kenmorechamber.com/member-directory/>. All this and some freebies will soon be on its way to you. I look forward to your feedback.

Thank you for listening!

John Buntin Jr, KCOC President
