11th Annual Summit County Stand Down

by Debbie Jeffers

The 11th Annual "Laura Dunlop Summit County Stand Down for Veterans" was held Tuesday September 13th at the Firestone VFW Post #3383 on Waterloo Road. Dan Moore headed the event, and many volunteers helped make this happen. Around 300 veterans were accommodated. Chaplains and medical care were provided, as well as each veteran receiving a winter coat, boots, blankets, personal items, a cell phone, and a haircut. A BIG thank you to the American Legion Post #449 & VFW POST #3383, Dan Moore, ALL the volunteers, and to anyone who gave a donation of any kind. Without you this event could not happen. Thank you everyone!

Packed House Shares “Stories of Kenmore”

by Tom Lesiczka

The Rialto Theater hosted the first “Stories of Kenmore” on October 20th. This free event featured live storytelling from a notable list of Kenmore residents, past and present. Nine scheduled speakers, along with a couple of unscheduled presenters, shared their unique stories on what makes Kenmore a special place to live, work and enjoy life.

“Stories of Kenmore” was designed to help foster communication within the neighborhood and build a bridge between generations of residents. Angela Miller and the Kenmore Neighborhood Alliance orchestrated the event with the support of the Wandering Aesthetics and the Rialto Theater.

“As I began to envision the event, I knew my friends Benjamin [Rexroad] and Kyle [Jozsa] from Wandering Aesthetics would be key,” Miller said. “They do amazing story telling events all over Akron. I also knew that The Rialto was the place to do it. Seth Vaill [co-owner of The Rialto] is a visionary who wants his establishment to serve as an anchor to revitalize the Kenmore Business District.”

There was a diverse line-up of speakers, talking about a multitude of topics. They covered their experiences of growing up in the community, what the area meant to them, and where they saw it going in the future.

Russel Nichols attended the event and wasn’t sure what to expect, but came away with a distinct sense of unity in the community. “It was neat to see the different generations of people sharing their stories of what made Kenmore special to them,” Nichols said. “I’ve been living here for several years now, and I have my own stories, but it’s really nice to see how my stories intersect with everyone else’s.”

Kenmore Resident’s Listen to “Stories of Kenmore” at *The Rialto*

This was the inaugural performance of the “Stories of Kenmore,” but Miller sees it continuing. The event was very well attended. All the seats were occupied, people were standing where they could, and there was even an overflow of people spilling into the hallway.

“The turnout exceeded expectations by far,” Miller said. “The official count was over 70. I think Kenmore is truly hungry for occasions like this; we are already fielding inquiries about next year’s event.”

Nichols was also impressed with the event, turnout and the venue. “It’s easy to overlook some of the things we have in the community. Tonight really showed what’s possible. I couldn’t believe how many people showed up to the event and how nice the venue was. This was my first time at The Rialto, and they’ve done an amazing job here.”

The Kenmore Neighborhood Alliance is working on setting up future events for the community and they already have another event planned at The Rialto; they are organizing “Kenmore’s Got Talent” for this spring.

Street Improvements for Maryland Avenue

I probably cannot count the number of times I have received calls about the deplorable condition of Maryland Avenue. Now, after years of seeking funding, hope is in sight.

In September the City Council passed a resolution of necessity for full improvements of Maryland Avenue between Ninth and Fourth Street. A majority of the funding is from a state grant.

This project has a cost of approximately \$1.8 million and will consist of 2000 feet of roadway improvement. In addition to the new roadway, sidewalks, aprons, storm sewers, bike lanes and new trees will be included. A construction date has not yet been established.

As always, thank you for allowing me to serve.

Councilman Mike Freeman

Ward 9 Councilman's Meetings

Councilman Freeman holds a public meeting on the first Tuesday of every month at the Kenmore Senior/Community Center, starting at 7:00 pm. Please join him at 880 Kenmore Boulevard to discuss your community and your city! The next meeting is Tuesday December 7th.

New Table at Shadyside Park

by Angela Miller

Kenmore participated with 500 residents from Akron's 22 neighborhoods, sharing a meal on October 4th 2015, at a 500-foot-long table. The event was sponsored by the Knight Foundation. We recently received this beautiful, custom-made table that commemorates the event and now resides at Shadyside Park! The table was "created by" Dominic Falcione of Rubber City Fab "to continue the dialogue about 500 Plates and our city's future together".

Kenmore High School Update

by Doug Faris, Principal Kenmore High School

The 2016-17 school year is off to a wonderful start at Kenmore High School. As building principal, there are many things that make me proud. This article will highlight just a handful of them. Most importantly though, the academic focus of our teaching staff this year will be on increasing the rigor of our assessments and improving our ability to adjust instruction to meet the needs of all our students.

Brandon Ferguson – While most seniors were enjoying their last few days of summer, on August 29th, Senior Class President Brandon Ferguson had the opportunity to address the entire teaching and administrative staff of Akron Schools at the Educator Symposium. Also in attendance was the Akron Board of Education and nationally renowned educator, Ron Clark. During his speech, Brandon retraced his steps through the APS elementary schools Lincoln and Crouse up to his time at Kenmore. He thanked Ms. Barb Bellamy, Sargent Hockenberry and Major Jacob and discussed how conversations with each helped inspire him to do things he never thought he could. Just recently, Brandon enlisted in the Ohio Army National Guard. I want to personally congratulate him and his family on his success and thank him for the positive contributions he makes to Kenmore High School.

KHS Football & Sam Salem – Recently, members of the football team took time out from practice and preparing for games to visit Sam Salem CLC. While there, they participated in a reading program set up by Coach Kemp Boyd and building Principal Anna Panning. Coach Boyd described the experience as, “Rewarding for our athletes. And maybe,” he said, “just maybe much more enjoyable and enriching than they could have imagined.”

KHS ROTC – Our ROTC program picked up right where it left off last year. Under the leadership of Major Jacob and Sargent Hockenberry, the KHS ROTC program has the highest percentage of students enrolled in any military readiness program across all APS high schools. To start this year, in addition to posting colors at each football game, our students had the opportunity to showcase their talents at the Akron Rubber Ducks playoff game too! Thank you ROTC students.

KHS Culinary – Chef Clayton Cundiff and his culinary students are at it again! His baking and pastry students had the opportunity to become certified cake decorators by partnering with KHS graduate Elizabeth Fox who has pursued her passion in the industry. Over the course of two days, she trained students using relevant cake decorating techniques and encouraged them during their cupcake challenge. On October 20th, Chef took his senior level culinary students on a field trip to Gervasi Vineryard in Canton where they had the opportunity to meet with Executive Chef Marsha Sommers and Director of Operations Paul Cincotta. The students received firsthand knowledge about what it will take for them to secure a job in the culinary industry.

KHS Student Council & FCCLA – Lastly, I am proud of two student groups here at Kenmore. Our student council, led by Mrs. Booth, transformed our school in late September and held an extremely successful Homecoming Dance. The theme was Vintage Hollywood. Our FCCLA students, led by Mrs. Marez, held our first ever Community Engagement Event. They partnered with Officer Cooper of the Akron Police Department and tackled a very important issue, drug awareness. The Kenmore staff and many families received training about heroin and other drug issues in our community. This is tremendously beneficial as we look to provide social/emotional support for our students as well as academic support.

There are many other exciting things going on at Kenmore, and I want to thank you, the Kenmore Community, for supporting our kids. We are looking forward to leading the way during some of the changes we will face at the end of the year. However, under my leadership, until the end of the school year on Thursday, June 8th, our only focus will be the students and ensuring they are “on track” to graduate from Akron Schools with a plan in place for them to pursue their interests.

Please mark your calendar for Thursday, December 1st from 6:30 to 7:30 in the KHS auditorium for our 2nd Community Engagement Event. Our topic will be internet and phone safety. As always, please call me at the school with any questions or concerns at 330-848-4141.

Prentice Park Clean-Up

by Alice Incorvia

Saturday October 22nd was a cold & dreary day, but a handful of brave people headed out with trash bags in hand to clean up Prentiss Park and the empty lot across from the Kenmore Community Center. The clean-up project was part of the “My Neighborhood Our Akron” initiative to beautify each ward in Akron through the Department of Neighborhood Assistance. The “My Neighborhood Our Akron” initiative also encourages community members within their neighborhoods to become active with the beautification and clean up processes. “My Neighborhood Our Akron” meets monthly in the different community centers city wide throughout the year. The clean-up also just happened to fall on “Make a Difference Day”.

A wonderful afternoon was had by all.

Immaculate Conception Catholic Church Congratulates Bobby McWilliam!

by Melissa Keegan

Rev. Mr. McWilliams with parish shield

The faith community of Immaculate Conception Catholic Church celebrated a joyous occasion on Saturday October 22nd, when Kenmore and parish native son, Bobby McWilliams was ordained a deacon for the Catholic Church by Bishop Richard Lennon at the Cathedral of St. John the Evangelist in Cleveland. That evening he assisted at and preached his first Mass at Immaculate Conception. As a deacon he is allowed to preach, baptize and perform marriages according to church law. He has been assigned to Our Lady of Angels Parish in Cleveland where he will hone his skills as he prepares to be ordained to the priesthood in May. We are a very proud parish!

Kenmore Kiwanis News

by Patricia Cardarelli

Our membership is growing. We are now up to 19 member! Maybe 25 by next year?? We are always looking for new members, people who want to help the Kenmore Community and the children here. Are you interested in becoming a member? Please call Pat or Dick Cardarelli for more information at 330-745-5674.

Kenmore Kiwanis - We are a local club helping the children in our community and working with other entities in Kenmore to make it a better place to live.

We have fundraisers to support things like the Kenmore Annual Halloween Parade, Thanksgiving and Christmas food baskets, coats for kids and hats & mittens for pre-schoolers, costumed characters for the Kenmore Holiday Celebration, and much more!

Watch for our fundraisers so you can help our community. You can purchase from us one pound boxes of mixed nuts from Akron's own Peanut Shop, which will be available from mid-November thru mid-December. These are packaged for gift-giving. Contact any Kiwanis member or pick them up at several businesses along Kenmore Boulevard. We also participate in the Kiwanis Rose Remembrance Day, delivered the 1st Saturday in October. Other fundraisers include popcorn and soda pop sold at the Wednesday night Shadyside Park summer concerts, and a Trash and Treasures Sale usually held in September.

This year we served breakfast to the Kenmore Cardinals Football Team and a few of our members sponsored individual team members, and we served lunch to volunteers of the spring Summit Lake Clean-Up.

Our Halloween Parade was led by the Kenmore Football Team and the Innes CLC Band! The parade is a really fun, annual event ending at the Kenmore High School with costume judging by our members. At the end of the event, we provided punch & donuts and Halloween inspired comic books to all who attended.

Kenmore Historical Society News

by Lillian Jolly

The year 2016 has been special for Cleveland, and it's also special for our community. The Kenmore Historical Society is celebrating its 15th anniversary.

In 2001, a group of community-minded citizens decided to form an organization to accumulate and preserve the history of our neighborhood. They started meeting monthly to discuss how to encourage a interest in promoting an appreciation of our heritage.

The meetings, held at 6:30 the last Monday of most months at the Kenmore Library are open to anyone interested in supporting our community. There are no meetings in December and January. At our upcoming November 28th meeting we have scheduled a celebration of our anniversary. We will also be announcing the winner of our "I Spy with My Cardinal Eye" contest. Dave Bersnak will be showing slides of Kenmore.

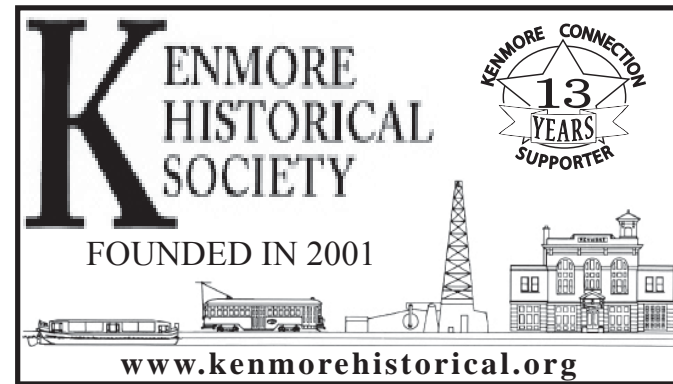

Don Plusquellic and Author Steve Love at the August Historical Society Meeting

The Kenmore Historical Society has been a strong supporter of various community activities, and we encourage all our residents, even ones who have moved away, to get involved in an effort to improve the image of Kenmore and maintain our community pride.

Just in time for Christmas gift giving, we have two new miniatures: Margaret Park School (\$13) and the Kenmore Clock Tower (\$10). We will have them at the Kenmore Holiday Celebration and they will be available at Kenmore Komics & Games.

All of the Kenmore Historical Society's Miniature Wooden Blocks of Historical Buildings (including their two newest blocks) can be purchased at Kenmore Komics & Games, 1020 Kenmore Boulevard.

Compass Christian Church News

by Charles L. Hahlen, Lead Minister, Compass Christian Church

As part of the overall Thanksgiving and Christmas season Compass Christian Church will be making a special emphasis on Community involvement, acts of kindness, and compassion and family. There will be two special Message Series: November – Immeasurable, and December – Unexpected.

As the congregation moves toward Christmas weekend and their Christmas Eve service “A Christmas Portrait”, the members of the congregation will be reading the book, “The Sparkle Box” by Jill Hardie (www.thesparklebox.com). Jill is from Jackson Township near Massillon, Ohio, and for several years her book has been helping families to escape the trap of a potentially over-commercialized holiday by putting an emphasis on the original Christmas Story and the spirit of giving. In the book a family uses a “Sparkle Box” to preserve a record of various compassionate acts and moments of service by the family. These are presented as a gift to the Christ child on Christmas morning before any other gifts are opened. For several years churches have been using this book in various ways to encourage community involvement and acts of kindness by their members.

Throughout November Compass members and friends are encouraged to do various things throughout their communities as gifts to the Christ child that will be recorded and placed in the Sparkle Box in the Compass Worship Center. These items will be incorporated into the Christmas Eve and Christmas Morning services.

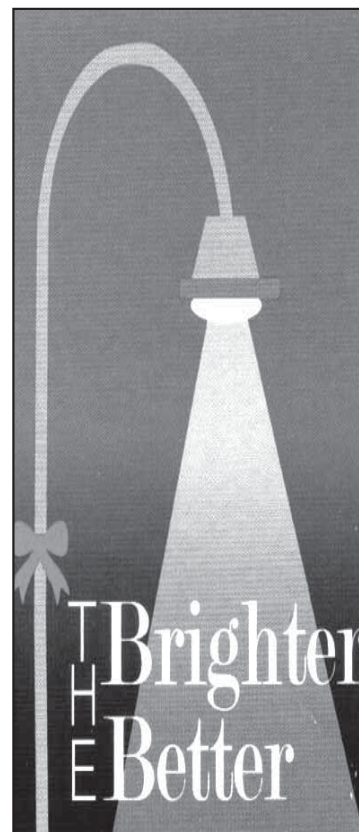

Christmas Eve December 24th at 3:00 pm - “A Christmas Portrait”

This will be an informal/family oriented Christmas Eve service (approximately 45 minutes) featuring videos, singing, devotional thought, and refreshments. From about 2:00 pm until almost 3:00 pm, and then again from about 4:00 pm until about 5:00 pm, they will have a photographer taking family portraits. These will be made available at no charge (5x7 color). Plans are for the portraits to be delivered during the first week of January if not before. Also the gifts given through the Sparkle Box program will be part of the overall presentation that afternoon.

Christmas Morning Compass will hold her normal Compass Sunday Morning service at 10:00 am. There will be an adult service and a Kidz Zone for children able to walk through grade 5. These services will run simultaneously and should last about one hour.

Everyone is welcome to attend our Christmas weekend services as well as participating in the Sparkle Box program throughout November. The Sparkle Box book can be obtained by contacting the church at 330-753-3121 or by email at KenmoreOffice@att.net.

Be sure to visit services any Sunday Morning at 10:00 am, and visit our Website at www.CompassKenmore.com.

Rolling Acres Church Celebrates Their Centennial

by Judy Spires

Rolling Acres Alliance Church celebrated its Centennial on Sunday September 18th, 2016. The church began in 1916 in a small white building on Foust Road, which is now known as Wilbeth Road in Akron. They started as Lawndale Mission of Kenmore, Ohio.

After a short time they moved to Lawndale School. In 1920 they were chartered into the Christian and Missionary Alliance, and became known as Lawndale Christian and Missionary Alliance Church.

In 1931 they built a new church on farm property given to them by a Civil War Veteran. The property was located on the corner of what is now East Avenue and Swinehart Avenue. The church continued to grow, and in 1972 a congregational meeting was held to vote on building a new church. The Old Lawndale Church Building was sold, and the treasured bell removed, and mounted on the lawn of the new grounds.

The groundbreaking ceremony was held at the new site, 2500 Kingsport Way, and construction began in June of 1973. The congregation moved into the new building on May 5th, 1974.

On September 18th, 2016 we celebrated our 100th year of service to the Lord.

Many former Pastors and friends returned for a wonderful celebration, and we once again rang the old bell. Marco Sommerville also came and presented our Pastor, Rob Hill, with a proclamation from the Mayor of Akron declaring September 18th, 2016 "Rolling Acres Alliance Church Day".

"We are excited to see what God intends to do in and through us in Kenmore, Akron, and the surrounding townships!"

New Backpacks for Sam Salem Students

Rolling Acres Alliance Church collected school supplies throughout the summer, and filled backpacks for all the children in the Kindergarten class at Sam Salem School this year. The backpacks were given to the children on the day they came for orientation.

First Glance Student Leader Program

by Michelle Staeven

The Student Leader Program at First Glance cultivates leadership skills and challenges students to grow as leaders among their peers. Students apply, interview, and are accepted into the program. They are paired with adult mentors and given opportunities to serve at First Glance and in the Kenmore community.

As we kick off the holiday season at First Glance this year, our volunteer opportunities within the Student Leader Program will increase. Each year our student leaders lend their crafting abilities at the craft table in the Kenmore Community Center during the Kenmore Community Thanksgiving Dinner. The Kenmore Holiday Celebration is another large event that our Student Leaders participate in yearly. The day before the event, they will spend their time working odd jobs, and cleaning up the boulevard for the next day. On the day of the event they will dedicate their time wearing costumes to entertain the children, decorating the courtyard for breakfast, and manning craft tables.

We see so much potential in our student leaders, and constantly want to lift them up in their everyday lives. We encourage them to speak words of life, and to strive to be a positive influence amongst their peers. Our desire is for the student leaders to be able to live lives of selflessness, to be able to overcome life's challenges together, to love and treat others well, and to develop into leaders within First Glance and the Kenmore community.
