2012 Kenmore Community Picnic at Chestnut Ridge Park

This year's Kenmore Community Picnic was held on Tuesday August 7th, and the hot summer weather let up just a little to offer a great evening to all who attended. This event, sponsored by Ward 9 Councilman Michael Freeman and wife Karen Freeman, occurs at the pavilion at Chestnut Ridge Park off of East Avenue. It was held in conjunction with 29th Annual National Night Out, where neighbors take the Tuesday evening to get to know one another.

Councilman Mike Freeman & Akron Chief City Prosecutor Gertrude Wilms

This year's special guest was Akron Chief City Prosecutor Gertrude Wilms, who along with several assistant prosecutors talked to the Kenmore residents about this division of the City of Akron. It was a good night for Kenmore neighbors to learn about their community.

The Polish Shop Cleans Up on Manchester Road

Jim Garner always enjoyed working on cars, but not in the way you would think. Jim liked making them look clean and shiny, and after 24 years at UPS, he retired to start a full-time business of his own - The Polish Shop - doing just that. Located at 2256 Manchester Road, this is the place to bring your vehicle for a complete detailing job, inside and out. "I try to make your car, truck, or SUV look like it just came off the showroom floor" says Jim. "Over the years I have created a 25 point checklist of what I need to do to bring about this effect."

Jim Garner at "The Polish Shop"

Although The Polish Shop is open Monday thru Friday 8:00 am to 5:00 pm, Jim recommends you call for an appointment to schedule the detailing of your vehicle. For more information, please call 330-620-9631 or visit the website at www.polishshopdetailing.com.

New Beauty Salon Opens on East Avenue

On July 1st, 2012, a new family business opened at 2204 East Avenue - Kylie's Super Cuts. Co-run by Kylie Shaffer and her grandmother Donna Shaffer, Kylie's Super Cuts offers all the services of a beauty salon, including haircuts & perms, hair color & highlighting, pedicures & manicures, shampoos & setting, eyelash extensions, nails, and waxing.

Kylie, with three years experience, was looking to open her own business, and Donna, with thirty years experience in her own salon in Mogadore, was looking to move her business back to Kenmore where she grew up, so they decided to team-up. "I found this location and liked it" says Donna, "and Kylie was eager to start this business with me."

KBOT & Kenmore Freeze Sponsor Ice Cream Night

On Wednesday July 11th, the Kenmore Board of Trade and Kenmore Freeze (located at 2036 East Avenue) sponsored an Ice Cream Social at Shadyside Park. It was an awesome hot summer evening. The Kenmore Board of Trade volunteers passed out 250 cups of soft serve vanilla and chocolate ice cream at no cost to the audience that came out to see "Off the Record" for this Wednesday evening's Summer Concert. The band played some great "swing to rock" style music. This summer event was fun for everyone young and old!

Councilman's Meetings

Councilman Freeman holds a public meeting on the first Tuesday every month at the Kenmore Senior/Community Center, starting at 7:00 pm. Please join him at 880 Kenmore Boulevard to discuss your community and your city! The next meeting is Tuesday September 4th.

Councilman Mike Freeman with Akron Police Captain Martha Sullivan

Akron PeaceMakers 4th Annual Teen Expo

The City's premiere youth volunteer group, the Akron PeaceMakers, held its 4th Annual Teen Expo on Thursday, August 2nd, at Lock 3. Exhibitors provided area youth with information on education, teen health, safety and volunteer opportunities in the Greater Akron area. A live DJ, Photo Booth, dancing, entertainment, gaming, and obstacle courses were all part of this event. Local youth entertainment included The Independent (Rock Band) and Akron vocalist Jasmine Moore. This is another event geared to teens where parents don't have to be concerned about their teen's safety. Akron Police Officers were on site partnering with our youth PeaceMakers to show that teens and police can work together to keep our city strong and safe. The event was free to middle and high school students and was open to all teens in Northeast Ohio. For more information, go to www.AkronPeaceMakers.org or call 330-375-2660 or 330-375-2712 as PeaceMakers prepares for another exciting year.

Community Oriented Policing Program to Expand

During my time as Ward 9 Councilman, I, along with our community, have benefitted greatly from the work of our Community Oriented Police Officers. Council recently approved legislation that will result in the addition of 12 new police officers in the Community Oriented Policing Services program. The legislation authorized the Mayor to enter into an agreement with the U.S. Department of Justice, which is funding the training and hiring of military veterans as police officers for a period of three years. The estimated amount of federal funds to be awarded to Akron over the three-year grant period is \$1,500,000.00. Akron will provide a local cash match of \$1,643,700.00.

Director of Newly Formed Neighborhood Assistance Department to Speak at September Ward Meeting

On Tuesday, September 4th, 7:00 pm, at the Kenmore Senior Community Center, Mr. John Valle will be our guest. Mr. Valle was recently named as Director of the newly formed Neighborhood Assistance Department. This new department will encompass the City's services that citizens have come to rely upon to keep their neighborhoods safe, secure, and clean, such as the City's 3-1-1 Citizen Service Request Call Center and its anonymous on-line non-emergency call center. Other items that the Department will handle are environmental housing complaints, nuisance grievances, recreation, zoning issues, right-of-way obstructions, community policing matters, and the establishment and functioning of neighborhood block clubs and youth groups, among many others things. Please try to attend.

Thank you for allowing me to serve as your council representative. It is a privilege!

Other performers include April "RED" DeBord's fire performance, Vision's of the Nile, Wicked Gypsy and Nicole's Belly Dancers, Phoenix Circle, Dantes Circus, and Troupe-Pro Ohio. We will also have the Juggler Bill Rowdy.

Car wise we have the Batmobile, the Dukes of Hazzard and the Andy Griffith TV show cars, an electric car, and 3 or 4 hearses. Once again there will be a large outdoor movie screen playing a triple feature movie, as well as a section for vendors and clubs to set-up in (we all always looking for new vendors or clubs to participate, please call 330-730-7163 if interested). The Scottish American games will be setting up once again close to Nesmsith Lake.

General Lee Car owned by Tim Suderow

Decorations will include over 100 bails of hay and over 100 clumps of corn stalks, and we will stager them throughout the 10 acres of land behind the VFW Post. Then we will add a couple hundred decorations in the trees or stake them in the ground, all of which takes dozens of man hours to set up. Due to lack of funds from the City of Akron this year I have contacted a professional fundraiser in order to find new sponsors for our "FREE" community event. I think we are going to be able to raise the \$2500 needed to have the 17th annual event but just in case feel free to call me to double check at 330-730-7163. If anyone knows of a possible sponsor please send them my way as well. Tell your friends and your neighbors about our free event. Where else can you see John Addams (the drummer from our Cleveland Indians) with Lisa the Clown, Michael Myers, and Santa Claus?

KENMORE CARDINALS HIGH SCHOOL FOOTBALL SPECIAL SECTION

Kenmore Football Plans to Build on Last Years Foundation

by Ed Peltz, Head Football Coach

The 2011 football season ended with the Cardinals winning their final two games, capping a 6-4 season and third place finish in the Akron City Series League. Kenmore manufactured this through hard work, dedication and support at all levels. The 2011 season was the foundation for future Cardinal teams and set the standard that Coach Ed Peltz calls, "a new minimum benchmark." The program had success throughout the year on the field, with post season awards and most importantly in the classroom.

The coaching staff is quick to point out that nothing is ever accomplished without people buying into the vision being promoted. From the end of the 2011 season so much positive has happened to the football program that we truly feel blessed. It started with having a number of our athletes named to all league teams, all district teams, and receiving accolades to the all state team. We also had the Division 2 Co-Defensive Player of the Year for Ohio. This was followed by Kenmore being well represented in two all start games, one featuring players from Summit County against our neighbors to the north, Cuyahoga County, and also in the Thanksgiving Day Game at St Vincent-St Mary.

Good news kept arriving as we were able to help a number of athletes acquire financial aid/scholarships to continue their educational learning and football careers. We are sending players to Muskingum College (Steve Vinson and Ke-vel Fields) and to West Liberty University (Darnell Vickers). We currently have a number of underclassmen getting looks from colleges across the country and Kenmore High School is becoming a frequent stop for many college football recruiters.

We want to thank the sponsors of our program who truly help us in so many ways. It is important that we support these businesses as they have truly been important to our program. We thank: The American Legion Post 449; Tim "Ripper" Owens Tap House; Kenmore Komics & Games; E & S Trains and Hobbies; Rocco's Pizza; World of Weights; J Patrick Construction, Kisling, Nestico and Redick Attorneys; MT Pockets Grill; Comprehensive Pain Management; Judge Joy Oldfield; Ohio National Guard; Tansations; Regina's Pizza; Prentice Funeral Home; First Glance; Kenmore Rotary; Kenmore Kiwanis; Rubber City Realty; and Showcase Meats.

When you come to Kenmore Stadium you will notice the stands have been freshly painted and the exterior of the locker room also received fresh paint. These tasks were completed by Akron City Schools and the bleachers were scrapped of chipping paint by volunteers. The interior of our locker room received a much needed power washing and painting by the volunteer organization, Project Shine, headed by Jeremy Veppert. This was much needed as the last time the locker room received this type of overhaul was more than 20 years ago. The group from First Glance has continued to support our team with providing a weekly meal for us along with spearheading a drive to help feed our athletes between two-a-day practices. This group is headed by Doug and Rachel Jones and we are thankful for their efforts, care and help with so many projects that make our program stronger. Rachel Jones is like a doting mom to our players and her personal touches to the locker room and our meals are truly appreciated. We would like to thank Mayor Don Plusquellic for his continued support of Kenmore Football, the schools and community. The mayor is truly a friend to our program and his support, leadership and ability to 'nudge' those that can help us is cherished. Finally, we

want to give a big Cardinal thank you to our councilman Mike Freeman. Mike has been instrumental in helping and guiding us with so many projects along with opening doors to assist our coaches provide a safe environment for our team. Mike is dedicated to the Kenmore community and is a shining star that makes Akron such a great place.

The 2012 season is expected to be one of continued growth of our football program. We have a number of holes to fill due to graduation of outstanding and talented young men, but we anticipate this year's team to build upon the success we had last year. The Cardinals have been very busy this summer facing some of the best area football teams in 7 on 7 passing scrimmages. Kenmore has held their own against the likes of Wadsworth, Medina, Tallmadge, Cloverleaf, Marlinton, and Revere. This experience allows the team to work on fundamentals, develop team chemistry and stimulate the competitive approach that we as coaches look to create.

As two-a-day practices roll along we are working hard to build a strong program while at the same time work with our players to develop good work habits, take ownership of their responsibilities and be leaders in and out of school. As the head coach I feel it important to create an environment that the players feel important to be a part of, that the community sees a team they are proud of and that parents find to be positive in the development and growth of their children. We hold our players responsible for their actions, their academics and their responsibilities. Emphasis is on hard work and knowing that it is not always important as to who gets the credit individually, but rather very important to work as a unit with common goals...winning comes from that. Our team motto (borrowed from Thomas Paine and Lee Iacocca) has been "Lead, Follow or Get Out of the Way". We emphasize this to our players. Shortcuts to success do not bring long term stability. Great character, outstanding work ethic, accountability and high moral values will produce success in everything our athletes will ever do. These are the threads that make for the strong fabric that we are building. Our parents and football families have entrusted us with their children and we take seriously our responsibility and provide an environment to help them become well rounded academically as well as athletically. Football does not last forever, but what we teach and learn from it certainly does.

The 2012 Kenmore Cardinal Football Team is preparing to play hard and compete at the highest level possible. We look to continue the success we developed last year and grow that success. Our hope is that the Kenmore Community embraces our team as much or more than they did last year. We will work hard every day to proudly represent our families, the community, our school and ourselves in a manner that will make Kenmore the class of Akron and Cardinal Nation the envy of all.

Thank you to everyone and don't put off watching this years team. We welcome all that support Kenmore to our games and practices. Go Cards!

Delone Carter Pays Cardinals a Visit

by Ed Peltz, Head Football Coach

This past July the Kenmore Cardinals Football Team received a surprise guest at their evening conditioning workouts. Former outstanding Kenmore receiver TJ Carter stopped by for a visit; although this is not unusual the person strolling in with him surprised almost everyone.

TJ played for Coach Peltz in the late 1980's and the former Cardinal great has been a frequent visitor since Peltz returned in 2010. A recent conversation between the two turned to TJ's nephew Delone Carter who after a stellar career at Syracuse University led to Delone being drafted by the Indianapolis Colts. Carter and Peltz came up with a plan to have Delone show up at conditioning, unannounced, to talk to the 2012 Cardinals about 'what it takes' to reach your goals.

Delone walked amongst the players and reminisced about how, "when his uncle played for the Cards he used to come to practices and games and run around on the Kenmore home turf." Carter talked about his own high school career at Copley High School, his being voted Mr. Ohio Football following his senior year, the opportunities that presented themselves to him at Syracuse and now being a professional athlete in the NFL.

Delone emphasized to each player the importance of getting a quality education, taking advantage of tutors and those that are in the schools to help every student. He said that he "wasn't the greatest student, but he knew that a quality education would open many doors for him whether he made it in the NFL or not." Carter was impressive both physically as well as the message that he shared with the players, managers, and Kenmore coaches.

Upon concluding his remarks Carter answered questions from this years Kenmore players and then he took numerous pictures with players and coaches. He wrapped up his visit by autographing anything and everything that players requested.

The 2012 Kenmore Cardinals appreciate this surprise visit by Delone Carter and wish him success and health throughout his pro career. The Cardinals also want to thank TJ Carter for putting this together and the support that he as given our Cards over the years!

"I Want to be a New Man"

by Joe Porco

With those words, Sterling Walker, a Kenmore High School senior and member of the Cardinal football team, began rewriting his life story just over one year ago. Walker had the goal of being an athlete and needed "serious change" in his life, so he began working with the football strength and conditioning program in the spring of 2011. At 468 pounds, the work was grueling and the effort required was monumental - but the results far outweigh, well, the actual weight that Walker has lost.

"I feel like I can contribute a lot more this year," Walker recently stated in a brief interview regarding the Cardinal's upcoming football season. After losing an astounding 140 pounds, Walker has his sights fixed on helping the Cardinals as a lineman. "Conditioning seems so much easier now," he said of the various drills created to help prepare athletes for the upcoming season. "I'm so proud of him and his accomplishments," stated Kenmore head football coach Ed Peltz.

Support for Walker's cause can be found throughout the KHS community. Walker credits his strength and conditioning coaches, Joe Porco and Bill Emery, with helping him set goals and guiding him through challenging workouts. "After the football season, Coach Thompson continued pushing me," a reference to wrestling head coach Lee Thompson, and Walker's decision to join the wrestling program. "I keep Mrs. Moke's card hanging in my locker to keep me motivated," explains Walker of the card that former office secretary Joan Moke surprised Walker with for just that very reason. "He is working so hard, I just want to see him be a success," added Moke.

As Sterling Walker prepares to experience this football season as a 325 pound lineman, he continues to look ahead. "I want to wrestle in the 285 pound wrestling class this winter; my mom and grandma will be so proud when I graduate in the spring with a GPA above 3.0 and weigh less than 250 pounds." On that note, Walker contends that none of this would be possible without the loving guidance and support of his mother and grandmother. "Yeah, the fridge looks a lot different these days, but they've been helping me from the very beginning and I love them both."

Kenmore Historical Society News

by Dan Brewer

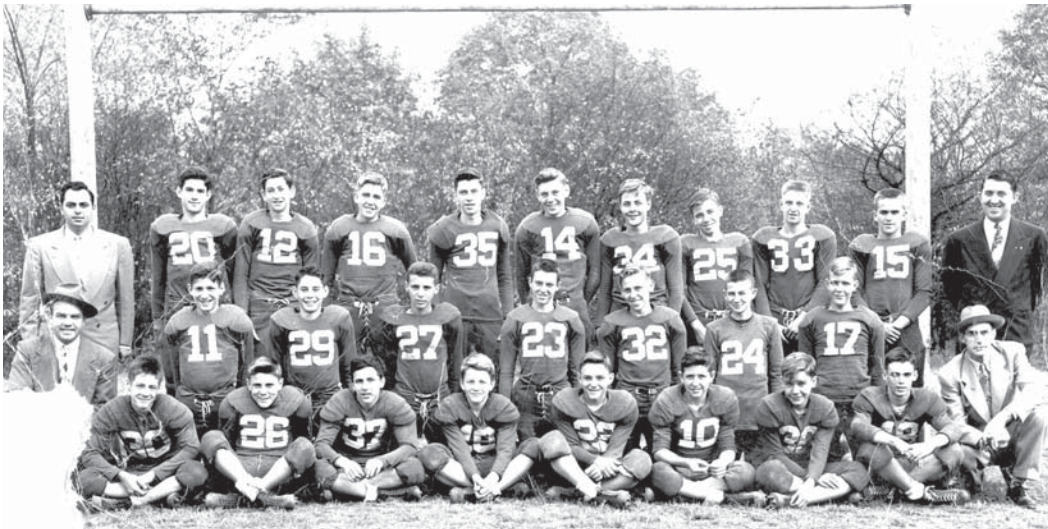

A group of Gremlins made Kenmore their home in the 1940's.

The Gremlins bantam football team participated in a league for local youth. The league consisted of nine teams: Kenmore Gremlins, St. Vincent Shamrocks, Eastside Corsairs, South Rangers, Central Flyers, West Hornets, North Commandos, Portage Lakes Panthers, and the Barberton Barons.

Kenmore resident Mike Donahue said the Gremlin locker room was located at the corner of 12th Street and Kenmore Boulevard, which was the old KHS basketball gym. They would get dressed there and walk up to the football practice field, where the KHS field is today, practice, then walk back down, shower and go home.

Mike played Jr. Bantams/Bantams in '48-'50. He played for the Gremlins when they defeated the Barberton Barons to win the Northeastern Ohio Bantamweight Football Association Championship in 1950. The Kenmore Klipper (community newspaper) declared "The fighting spirit of the boys for the entire season proves once again that champs are made, not born."

Director of the team was Bob Prentice from the Prentice Funeral Home. Jim Graham was assistant director. Coaches for the team were Bob Burke, Jim Abbott, Ray Endorsing and Jim Graham.

Players left to right: 20--D. Dannemiller, 12--J. Chadbourne, 16--R Lackey, 35--P. Adams, 14--B. McCoy, 34--A. Carter, 25--D. Ohl, 33--B. Yanik, 15--T. Bogges.

Second row: 11--S. Dannemiller, 29--L. Loposky, 27--D. Johanyak, 23--G. Warner, 32--R. Lowe, 24--C. Morris, 17--J. Long.

Third row: 30--Bill Carver, 26--K. Johnson, 37--R. Hartley, 19--B. Garske, 22--D. Michell, 10--R. Edwards, 36--M. Donahue, 18--J. Bachtel.

Left bottom--Coach Bob Burke. Left Top--Jim Abbott, assistant coach.

Right bottom--Jim Graham, assistant director.

Kenmore Kiwanis News

by Lynda Burns

Well, this has been a hot summer and a nice, long, soft rain would be most appreciated, but not on Wednesday nights during the summer concerts at Shadyside Park. Kenmore Kiwanis is selling hot dogs, sloppy joes, coney dogs, homemade cookies, popcorn, pop and water. And as of right now that is our only fundraiser.

However, we lost our oldest member, 93 years young Maggie Long, and she will be sadly missed especially by me. We have also had two of our members, Kurt Minear and Etta Mae Smith, out of commission with illnesses. Hopefully they will be back with us soon. We feel like our age is catching up with us and would like to interest new, younger members to keep Kenmore Kiwanis an active service organization made up of caring individuals who want to improve the Kenmore Community. We sponsor the annual Kenmore Halloween Parade and Costume Contest (the last Thursday of October), the gazebo and tree lighting at Christmas time, distribute Thanksgiving and Christmas baskets to the needy, sponsor the annual Kenmore Easter Craft and Egg Hunt, participate in Camp Manatoc clean up and Shadyside Park summer concerts, and sponsor a Nicaraguan orphanage.

If you would like to join Kenmore Kiwanis, please feel free to come to lunch on Tuesdays at 11:45 am at the Kenmore Community Nazarene Church (at the corner of 12th Street & Iona Avenue) and check us out!

The Ladies Ancient Order of Hibernians Margaret Judge Division President is Kenmore Resident Pat Orlando

by Mary Lou Swartz

The Ancient Order of Hibernians is no longer on Kenmore Boulevard, but their Ladies President, Pat Orlando, is a long time Kenmore resident. She and her husband Sam (now deceased), raised five children in our community. Her three daughters, Kim, Debi and Lori, are still in the Kenmore area and their children have all attended Kenmore Schools. Pat's two sons are Michael, who lives in Wadsworth, and Joe, who lives in the Copley-Fairlawn area.

Pat is the 30th Woman's President of this Irish Club's Ladies Division. As President she officiates over all the local meetings, and represents her division at State and National Conventions. In each Hibernian Organization, there is a men's and women's section. So Pat has to coordinate all the activities with the men's president.

Since she has been President of the Margaret Judge Division, she feels the greatest accomplishment has been the increase in new membership, especially among younger women. Once a very shy and quiet woman, Pat has surprised herself by now being very outgoing!

Membership in the Ancient Order of Hibernians is open to Irish Catholic men and women. A social membership is available which allows you to participate and enjoy many of their activities. If interested in finding out more about the Ancient Order of Hibernians, please call 330-724-2080 and ask for Debi. The Club is behind the South Plaza across from the Post Office. Lunch is open to the public Monday thru Friday from 11:00 am to 2:00 pm.

Kenmore High School All-Class Reunion

by Sam Salem

"Mrs. Stewart was a very special teacher in 1956," remembers housewife Dianna D. Bowman Spaur during her Kenmore High School years. "I felt this English teacher hated me, and I sure didn't like her. Then one day she asked the students to write their autobiographies. Mrs. Stewart told me she cried when she read my story, and she hugged me! She helped me in so many ways and became my very best friend. Later after I got married, Mrs. Stewart was the first to send me a wonderful gift for my baby. Her words and love have helped me through many years. They even inspired me to start college when I was 53 years old!"

This is but one memory that Kenmore High alums will share during an all-class luncheon reunion Saturday, September 15th, starting 11:15 am at the Kenmore Senior Community Center (Corner 11th Street and Kenmore Boulevard). The reunion is hosted by the class of 1945 in cooperation with several other classes and the Kenmore Historical society.

"We have mailed out more than 300 invitations and are expecting a large turnout from classes going back to the 1930's to the present," said '45 grad Sam Salem, retired Akron school board member, who is in charge of the arrangements. "Alums are invited to share a memory of any Kenmore area school staff member (teacher, coach, principal, counselor, tutor, custodian, etc) who inspired them in a special way. They may select a staff member of Kenmore High, Innes Middle School, or any Kenmore elementary school. Funds available, we will film the event and also compile the memories in a booklet for distribution to the alums, as well as the Kenmore schools and library. We hope this will make current-day students more appreciative of their educators."

Kenmore grads invited to participate include Mayor Donald Plusquellic, '67; Akron Police Chief James Nice, '72; 9th Ward Councilman Mike Freeman, '75; and Donald Jenkins, retired University of Akron Law School dean and retired Air Force Major General.

Cost of the luncheon, starting at noon, is \$16.00. Those unable to attend the luncheon are invited to arrive about 12:45 PM to share their memory of an inspiring educator. Those wishing to attend or to share a memory of an educator who inspired them are invited to call Sam Salem at 330-864-3745 or email him: samsalem@neo.rr.com. Donations are invited to help defray the cost of reunion expenses.

Some other memories---

"Mr. Ratkovich – our football coach and history teacher – instilled in me a love for Kenmore High School and American History," remembers Penny Yovich, 1943 grad and retired Akron school principal. "My passion for history and the language arts was rounded out by Mr. Innes and Miss Hastings."

"Mr Bauman brought history to life," recalled Joyce Taylor Starner. '45, and former Polsky accountant. "I have loved history all my life and have visited many historic sites." She also remembers Mr. Lutz's speech class. "The first time I spoke before the class my knees shook. But by the end of the semester I could speak with clarity and self-assurance – a quality that has helped me all my life."

Mark your calendars now and save the date of Saturday, October 13th from 10:00 am to 4:00 pm. There will be tours, memorabilia, displays, performances, and fun!

Friend us on Facebook, connect with former alumni and staff, or post your old photos/memories on our wall at "Lawndale Elementary's 100 Year Celebration". Information will be frequently updated on Facebook. All other inquiries can be made by calling the school at 330-848-5237.

Know the Facts, for Akron's Students and Future!

FACT: Good Jobs Require Good Schools

Students need high quality schools to keep Akron's economy strong, because today's good jobs require postsecondary education.

FACT: Akron's Schools Are a Good Investment

More students graduate ready for college and jobs. Schools are safe, disciplined and many more are highly rated. We can keep improving to save our kids and city.

FACT: Teachers and Staff Took Pay and Benefit Cuts

Reduced salaries and health benefits saved millions, and teachers still work hard for our children.

FACT: Millions in Budget Cuts Hurt

State funding cuts and low property tax collections cost the kids \$19 million in teachers and programs. Without a levy, we'll have hundreds more teacher layoffs, huge class sizes and program deletions.

FACT: A 7.9 Mill Levy Is Needed for Success

To get good results with quality teachers and educational programs students need to prepare for college and jobs, it takes less than \$3 per week (average Akron property). Please invest in our students and city.

AKRON'S FUTURE STARTS WITH EDUCATION!

Congratulations
and a special shout out to
our Kenmore High School seniors
who earned over \$700,000
in scholarships last year!

Kenmore Has Talent Contest
by James Fairhead

The Church on the Boulevard would to thank the Kenmore Community for such a great turnout at the Annual "Kenmore Has Talent Contest" held Sunday May 27th during the Kenmore Community Days Festival. This year "Kenmore Has Talent" had 15 contestants and wow does Kenmore have some great talent! One of our great talents is a 15 year old girl by the name of Journey Duncan. She has competed all three years. This year she performed by singing acappella (means no back up music or singers) the song "Safe and Sound" by Taylor Swift, and she has one amazing voice! I hope she performs for us for many years to come. She was our third place winner. Our second place winners were first timers at this event called "Lil Los Ext". There was one rapper - Lil Carlos, and 2 dancers - Khaleem & Travosta, and they were all amazing for their young age.

First place went to Diefar Palmer, a singer like Journey who also sang acappella. Kenmore has so much talent and what we have seen so far is just the beginning. We hope to see many more talented people next year during the Kenmore Community Days Festival. Many thanks from all of us at The Church on the Boulevard.

First Glance News

by Kayelah Coday, former First Glance student

I first started coming to First Glance when I was 11 years old. I'm 22 now. I loved going to the First Glance Rec Nights, I had something to look forward to. I was always there. I hung out with my friends, talked to leaders, jumped rope, played on the computer, etc.

I was also the one causing almost all the trouble, I would fight someone for their just looking at me or saying the wrong thing to me. I know that wasn't right, but then I didn't care. Then I got kicked out, and I couldn't go there and hang out. It felt like my world ended those couple weeks. I couldn't wait to go back to First Glance. When I went back, I changed my attitude there. I didn't want to get kicked out again because those few weeks were the longest weeks of my life. Lesson learned.

When I was 16 years old, I met my boyfriend, Nate, and I stopped going to First Glance. I missed it, but I didn't want to miss a chance to hang out with him. We were dating for almost 2 months and I got pregnant. My life really changed at that moment. I stopped fighting and getting into trouble. When I was 4 months pregnant, I started going to First Glance Teen Moms. Mrs. Karen tried to get me to go sooner, but I just didn't want to go. Yes, I was being the old Kayelah again...hardheaded. Finally, I was like, "I've got to do something. I'm 17 years old and I'm about to have a baby. I don't know anything about being a mom." I babysat a lot, but being a mom is a whole world of difference.

I started going to First Glance Teen Moms. I did lessons on pregnancy, newborns, first year, toddler years, etc. I did hundreds of lessons. Yes, I think I did every lesson we had at Teen Moms. I also learned that being a mom is no walk in the park.

I was on welfare, and living with my dad. I didn't have a education because when I got pregnant I dropped out of school. I had to work for my cash assistance from welfare, which I had no problem doing. I looked at

it as a chance to learn some job skills. I worked at a thrift store for almost a year, and then I worked at Mobile Meals for two years. My cash assistance was running out and they wouldn't hire me at Mobile Meals because they had enough workers there. They said they would hire me somewhere else in Mobile Meals, but I didn't own a car.

So, I talked to Mrs. Karen and she said First Glance was trying to get approved through the county so that the teen moms could come there and volunteer for their cash assistance. I was so happy. I couldn't wait until they got approved. Finally they were approved and I was the first one to work at First Glance. I started working at First Glance in September 2010.

My cash assistance ran out in November 2010, so Mrs. Karen helped me out once again and told me I could raise support to work at First Glance. She told me everything I had to do. Noelle, the Director of First Glance, was on vacation and had no clue what was going on until she checked her email! When Noelle came back, I guess she was fine with it because I still raise support to work here and she supports me!

I have been raising support to work at First Glance Teen Moms since December 2010, and am attending GED classes at Park Church. I love working here, and I wouldn't change it for anything. I'm now too old for Teen Moms, so I joined Young Moms. Young Moms is the same as Teen Moms, but as a Young Mom I have more responsibility.

I have two children now. I have a four year old son named "Little" Nate and I have a three month old daughter named Rilyn. If I didn't have First Glance, I most likely would be in prison by now. First Glance is my second family. I am so thankful for all of the First Glance leaders. They have taught me so much, and showed me there is a better life out there for me. I love them all and thank them for not giving up on me.
