President's Message

Ronald Reagan once said, "By working together, pooling our resources and building on our strengths, we can accomplish great things." President Reagan proved that this advice can work then and it can work now. We can pool our strengths just as they did. I hope to see you at our next meeting.

The February General Meeting was a huge success! Ward 9 Councilman Mike Freeman spoke about the new security cameras on Kenmore Boulevard. He did one on one Q & A’s. It was great to see so many new members in attendance. The food was outstanding, all made by our local KBOT members – Reeves Cake Shop, Regina’s Pizza, Kenmore Subway, and Pierre’s Brooklyn Pizza & Deli.
