Kenmore Board of Trade May 2010

President's Message

We are post April 15th - Hoorah! Here is what some of our past Presidents have said about taxes. "Taxes, after all, are the dues that we pay for the privilege of membership in an organized society" - Franklin D. Roosevelt. "The farmer is the only man in our economy who buys everything he buys at retail, sells everything he sells at wholesale, and pays the freight both ways". - John F. Kennedy. "There's a lot of evidence you can sell people on tax increases if they think it's an investment". - Bill Clinton

April's Kenmore Board of Trade meeting was very informative on how to collect slow pays and bad debts. Our guest speaker had some very interesting statistics. If you have a problem customer contact Thomas Krysiak from AmerAssist, at 440-665-3097 or tkrysiak@yahoo.com. Lunch was made by KBOT member Pierre's Brooklyn Pizza & Deli, and was delicious as always! *Especially* the Blueberry Cobbler Pizza!

Scott Smith being Presidential!
