Kenmore Board of Trade

August 2010

President's Message

Is the economy getting better? The unemployment rate in the Akron area is still very high. For my business we are having very slow growth but it is growth. Our area has gone through rough times before and came out even better and it will happen this time as well. So let's say goodbye to the great recession and hello to the Great Recovery. Positive thinking and hard work will see to that.

I hope to see you all at the [Mud Run Golf Course](#) on Wednesday, August 4th at noon!

Scott Smith
President, Kenmore Board of Trade
