### PRESIDENT'S MESSAGE

The Kenmore Community has an active business district on Kenmore Boulevard as well as many other business spread around our community.

The Boulevard is ripe for development by some enterprising folks who can see the potential for making it an entertainment district as has been done in other cities.

There are already some specialty shops on Kenmore Boulevard such as The Cobbler Shop, Kenmore Comics and Games, The Guitar Department, E & S Trains store and others, which are a good start.

There is no need to look anywhere else, the opportunities are here.

### The Annual Kenmore Community Day's Festival

The festival occurred over the Memorial Day weekend with a parade on Kenmore Boulevard on Saturday, May 28, 2011.

There were rides, music and a lot of food venders and a lot of fun for people in our community at Prentice Park the whole weekend.

There was a powerful fireworks display on Sunday evening, May 29, 2011 which was funded by donations to The Kenmore Community Counsel.

How many communities have a parade?
