PRESIDENT'S MESSAGE

The next Kenmore Board of Trade meeting will be at Mud Run Golf Course, 2000 South Hawkins Ave., Akron, OH 44314, on Wednesday, August 3, 2011 @ 12:00 pm. Please R.S.V.P. by calling David Culbertson at 330-753-1151, email: Culbertsonlaw@sbcglobal.net.

Our speaker is **Keith Shy**, Director and Secretary for Metro Parks Serving Summit County. He will be sharing future plans for Metro Parks.

This will be a very interesting meeting because there are exciting plans that will impact our community. Besides that there will be a good time of fellowship. The cost of lunch is five dollars.

After the meeting there will be golf activities and prizes. Anyone who wants to can practice their drive with a free bucket of balls. Some drivers will be provided. Serious golfers should bring their own favorite driver.

This is a meeting where members from the other five Boards of Trade will attend.

This luncheon meeting is sponsored by Anthem.
David Culbertson

Mud Run Golf Course & Driving Range.

This nine hole gem was designed by Craig Schreiner, ASGCA, and has been referred to as a slice of North Carolina "low country" golf, with 9 pristine manicured holes.

The par-34 golf course has five sets of bent-grass tees that can accommodate golfers from beginners to the most skilled players. The course stretches to 2,800 yards from the back tees and is one of the newest courses in the area -- built in 2003. The nine-hole golf course sits on 85 acres, surrounded by wetlands and woods. Included with the course is the Akron areas best driving ranges, two practice putting greens, and a one acre chipping / putting green. Also included are a pavilion for golf outings and the beautiful 4,000 square foot clubhouse with snack bar, pro shop, and banquet room. Electric carts and pull carts are available.

The facility also serves as the home for the **First Tee of Akron**, a youth development organization that serves to teach golf skills and promote character development through the game of golf.
