PRESIDENT'S MESSAGE

About 25 people gathered at Mud Run Golf Course for a time of networking and fellowship.

Keith Shy, Director and Secretary and David Whited, Construction Manager both of Metro Parks Serving Summit County shared with us about all of the projects they are working on. They showed large sized aerial photos and maps.

This was very interesting and the food was good.

There were members of other Boards in attendance. After that part of the meeting a drawing was held for prizes and some hit a bucket of balls at the driving range.

Mud Run Golf Course is a very nice facility right in our community. It serves as the home of First Tee of Akron a youth development organization that serves to teach golf skills and promote character development through the game of golf.
