PRESIDENT'S MESSAGE

January 2013

We are ending the year 2012 and beginning the year 2013 with new opportunities. This is a good time to consider where we have been and where we are going. We at the Kenmore Board of Trade are doing that.

The clock tower project is going forward, although a lot slower than we expected. It will add character to the Village of Kenmore. We began a project to help get road and lighting improvement on West Wilbeth Road and Kenmore Boulevard west of Wilbeth Road. Everyone can help with this by becoming familiar with the areas and then phoning the Mayor's office about it at 330-375-2345.

The village of Kenmore is unique to this area because of its industrial and commercial base and excellent location. There is easy access to anywhere from here. Get involved with us so that we as a community can make it better.

May you all have a wonderful New Year!
