## PRESIDENT'S MESSAGE

The Kenmore Board of Trade is interested in promoting the sale, lease or rental of vacant commercial buildings, starting with Kenmore Boulevard.

The thought is to establish a day and time for the owners of the buildings, or their representatives, to be present so that anyone interested can tour those buildings.

The City of Akron is interested in supporting this project and at least one bank is interested in having a representative present.

Whether this project will come to pass depends on whether the building owners are willing to participate in it.

This first step is to obtain the addresses, names of owners or their representatives, and whatever other information that is available for the vacant commercial buildings.

Some of this information is easy to obtain and some of it is difficult to obtain, so we would appreciate whatever help our members can offer.

Send information to me or to our post office box.

Thank you.
