PRESIDENT'S MESSAGE

We at the Kenmore Board of Trade are endeavoring to get the Village of Kenmore well known to the public through media. We are on Google when you type "Kenmore Board of Trade" or "The Village of Kenmore, Ohio" where you can find out many things about our community.

We have established a new Kenmore Board of Trade website, www.kenmoreboardoftrade.org, with features and information about publications, membership, events and calendar, and also links to charity and non-profit organizations.

A very nice feature of the website is the KBOT membership directory which links to a map making it easy to find a place of business, and also links to Google Earth where you can see a real life picture of that place of business. The website will be refined some but it is a good source of information now.

You can also visit www.boulevardcats.com, which is the original webpage that was established in 2011. There is information about The Village of Kenmore Clock Tower Project, and the newly remodeled Vesta Apartments on the second floor of 2216 13th Street SW, which is now accepting applications for occupancy, available April/May 2013. There are also Boulevard forums and other information.

At www.kenmoreohio.com there is information and details about the Village of Kenmore Clock Tower Project, brick order form, tile examples, and much more. There is a facebook link to the Village of Kenmore Facebook page. Also you can type in the Facebook search for "The Village of Kenmore, Ohio".

This facebook page is about The Village of Kenmore Ohio's Online Business Directory and Networking Community. There are many posts and comments about what is going on in the businesses on Kenmore Boulevard and Ward 9. Don't forget to click "Like" and then you are a fan.

Thank you.
