PRESIDENT'S MESSAGE

We are to the point on the clock tower project where we have raised \$10,000.00 from the sale of the bricks plus donations.

The City of Akron is supposed to match those funds. As soon as the funds from the City come in we can order the clock.

In addition, the City of Akron is supposed to help with the base engineering and electrical connections.

We have almost completed the verification of the inscriptions on the bricks so if you have not ordered your brick yet, do it now.

This has been a challenge but the end is in sight.

Thank you to all who ordered a brick!
