### **PRESIDENT'S MESSAGE**

November 2014

Fred Zumpano of Fred Zumpano Design & Construction Inc, a Kenmore Board of Trade member, is our liaison "Man In the Field" with the City of Akron Engineering Department for working on the Kenmore Clock Tower base. That is coming along and hopefully if the weather cooperates the base will be completed this year.

We are now in the process of ordering the Clock which could be installed on the base also this year.

We expect that the bricks will be installed next spring. If anyone has not ordered a brick, time is running out. If you want to order a brick, please contact us soon.

Thank you to all who have purchased a brick to help make this happen!

## KENMORE BOARD OF TRADE GENERAL MEETING

**There will be no KBOT Board of Trade General Meeting this month!**

### Cut Your Workers' Compensation Cost Through The Akron Boards of Trade Council's Program

**You may save up to 53% on your workers' compensation premium.**

The Akron Boards of Trade Council makes available to members of their associated Boards, such as the Kenmore Board of Trade, a number of ways to cut workers' compensation cost. The programs are managed by ARM BAYLOR. Many participants save up to 53% on their premiums.

**Time is running out so don't be left out.**

The most popular way to cut cost is through Group Rating. However, in order to enroll for the 2015 Group Experience Rating Program, you must apply by November 12, 2014.

**You don't have to be big to get big savings.**

As long as you have at least one, that's right, (1) employee, or just cover yourself, you may be able to save significant dollars.

**It's easy to apply.**

Just contact our program's administrator, ARM BAYLOR at 888-235-8051, or e-mail them at [bbaylor@baylorwc.com](mailto:bbaylor@baylorwc.com) to begin the process. Tell them that you want to apply for the Akron Boards of Trade Council Workers' Compensation Program. If you are already participating in group rating through the ABOTC you need not make a new application.

**There is no obligation to find out how much you can save.**

If you have been rejected from, or are already participating in another program, by all means apply anyway. The evaluation doesn't interfere with your present arrangements. You may be pleasantly surprised at how much you can save through the program. When you are notified, you can say "Great! Sign me up!" or you can say "No thanks." There is no obligation or charge.
