PRESIDENT'S MESSAGE

Attorney Dennis Thompson, one of our board members, passed away on December 8th, 2014. He was a visionary for the Village of Kenmore. He had many ideas and plans to promote this area and build it up. He saw the potential in the Village of Kenmore and planted his office here as a base of operation. He is the person who started the Clock Tower Project on Kenmore Boulevard.

He is sorely missed by us and his wife, Christy, who is still running their business.

Lenny Morella, a long time President of the South Akron Board of Trade, passed away on December 28th, 2014. He was also very active in the Akron Boards Of Trade Council. Many of us knew him well. He also will be missed.

Who in our community is willing to pick up the mantle that is left?

David E. Culbertson, President

In Memoriam

Kenmore Board of Trade meetings will never be the same with the passing of two men who greatly influenced the tone and direction of all the Boards of Trades. Dennis Thompson (left photo) was an active Director on the Kenmore Board of Trade, and passed away on December 8th.

Lenny Morella (right photo) had been the President of the South Akron Board of Trade for a long time, and was often a guest at Kenmore Board of Trade luncheons. He passed away on December 28th. Both men were passionate about the things they did for their community and our members, and will be greatly missed.
