### **PRESIDENT'S MESSAGE**

March 2015

The Kenmore Board of Trade is not having a general membership meeting in March but we will have a meeting in April.

The April meeting will be at the Kenmore High School. Food will be provided by the High School Culinary Class. That will be a good time. Someone from the City of Akron will be the speaker. We will have more details on that later.

Also on April 25th, the Kenmore Board of Trade will be participating in the Clean Up Akron Project in the Summit Lake, Nesmith Lake and Tow Path areas. This is a big project and many organizations will be involved.

Come and help!

### Kenmore Clock Tower Update

The Kenmore Board of Trade is waiting for final bids on the construction of the base for the Kenmore Clock Tower. Once a bid is accepted, the Clock will be ordered and construction will begin sometime this Spring.

### Community Groups Plan Summit Lake Clean-Up Project

On January 31st, the Summit Lake Clean-Up Project Kickoff Meeting was held at the Kenmore Branch Library. The steering committee of Nolan James, Hillary Stewart, and Julie Ann Sweet led those who attended through discussions on setting goals, finding volunteers, and picking dates and areas to work in. April 25th, Keep Akron Beautiful's official clean-up day, was picked for working on the Summit Lake Clean-Up (other groups will be cleaning the Towpath Trail and Nesmith Lake on this day also). Lunch and most clean-up equipment will be provided, and if enough volunteers show up other areas of the Kenmore/Ward 9 area may also be cleaned.

For more information or to volunteer to help, please contact Nolan James at 330-485-9399 or [njamesjr@gmail.com](mailto:njamesjr@gmail.com).

**This is what 2 people cleaned from 200 feet of shoreline on Summit Lake. Imagine what we could do for the entire lake if more people like you volunteered to help?**
