PRESIDENT'S MESSAGE

September 2015

As you can see the clock tower project is moving forward. The foundation and the base structure have been completed.

By the time you read this newsletter, the lime stone cap should be installed. The power supply is in place. The clock and the bricks have been ordered.

Soon everyone using Kenmore Boulevard will know what the time is. Keep watching the Kenmore Board of Trade newsletter for a date and time for the dedication of the clock.

We had an interesting meeting at Mudd Run Golf Course on August 5th. Autumn Russell, the Director of Education of the Akron Zoo, shared a lot about the history of the zoo and what is happening there. She even brought one of their "residents", a small python which was quite attached to her arm (to stay warm).

We are looking forward to having a noon meeting in October and a "Meet and Greet" in December. Watch for details.
