*Chairman
John Buntin Jr
330-745-5530*

Board of Directors:

*Roger W. Ormsby
Dolores R. Reeves*

PRESIDENT'S MESSAGE

Everyone in our community will notice that the clock tower project has been completed except for the electrical power.

Because of delays in the delivery of the clock, the work order for the electrical power issued by the City expired, and a new work order had to be processed. Electrical power will be supplied from a curb connection rather than the median as was originally planned.

There are some additional names to be placed on the blank bricks. That is in process now.

We are pleased to get this project done and it does look great.

Kenmore Place, the new housing complex next to the Community Center is completed and ready for occupancy. This is a great addition to our community.

There are great opportunities in our community, especially on the Boulevard. We just need someone with vision, like Dennis Thompson had, to pursue them.

David E. Culbertson, President
