

“BRINGING BUSINESS BACK HOME”

PRESIDENT’S MESSAGE

Greetings to All!

Here’s another message full of odds & ends ramblings!

First off, my apologies to last month’s new Kenmore Chamber members, who did not get listed on the August KCOC newsletter, as I needed the space for the photos of 1985 KOC President David E. Whitmire, who passed away on July 22nd. These new July members are listed on page two of this newsletter, with the new August members listed below. We welcome all new members to the Kenmore Chamber of Commerce, many of whom joined our Chamber so that they may take advantage of some of the great benefits offered from the **Northern Ohio Area Chambers of Commerce (NOACC)**. Your dues help our Chamber in many ways, including the publication of our quarterly community newsletter, **The Kenmore Connection**, the coordinating of community events such as the Kenmore Easter Craft & Egg Hunt and the Kenmore Holiday Celebration, our bi-monthly “Meet & Greets”, and sponsorship of the Kenmore First Fridays during the summer months. All of these things help promote business and our members to the Kenmore Community. Thank you to all our members for your yearly dues!

And speaking of benefits, one last mention of the **Chamber Energy Program**. I know you are tempted to “hang up” on me like many of the cold-calls we get on our business telephone, but please bare with me one final time on energy savings. With the expensive Winter months on their way, please take the time to look at your natural gas invoice, if you are paying over \$4 a unit used, you are paying too much. Contact the **Community Energy Advisors** at 330-568-5161 if you have any questions, and like me you may be able to save money on your natural gas bill.

September brings the start of the Fall season, back to school for your children, and new “Meet & Greets” for the next two months. Check out the article on the back of this newsletter for those great networking events we like to see you at.

I hope you all had a successful Summer, and look forward to continued success in the upcoming months!

Thank you for listening!
