

“BRINGING BUSINESS BACK HOME”

PRESIDENT’S MESSAGE

Greetings to All!

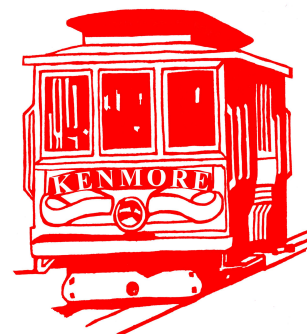

October always seems to be a busy month for me, but I shouldn’t be surprised.

This year’s October had the usual busy events - working on the November issue of our community newspaper, *The Kenmore Connection*, planning & attending this month’s KCOC “Meet & Greet”, and creating new member packets for a record number of new members to the Kenmore Chamber, who have joined to take advantage of some of the many benefits we can offer to their businesses that help to lower costs and save them time (a big welcome to all those listed below!).

And then there were the new events, such as attending a dinner up in Westlake to give one of our Kenmore Chamber Board members, Seth Vaill of *The Rialto Theatre*, a “Bright Star Award” from NOACC (see photo on page 2), and my business, *Kenmore Comics & Games*, participating in the first “Boo on the Boulevard” Halloween Event on October 31st, sponsored by the *Kenmore Neighborhood Alliance* (it was a big success!). So how busy was your month?

Thank you for listening!
